

# ICAR-National Institute of High Security Animal Diseases, Bhopal

## “Swachhata Hi Seva” Pakhwara (Oct. 2, 2018)

On the occasion of 150<sup>th</sup> birth anniversary of Mahatma Gandhi and towards fulfilling the dream of clean India, all the staff of the NIHSAD started their day in cleaning the Hathai Kheda Lake, Bhopal. This location is famous for ganpati visarjan. The huge debris accumulated post-ganpati visarjan was cleaning by the dedicated team of the institute. The non-biodegradable waste like plastic, glass and scrap materials were also collected and disposed of properly. After the cleaning of this lake, a lecture on ‘10 steps in making Swachh Bharat’ was delivered by Dr. HV Murugkar, Principal scientist, NIHSAD in the auditorium. The activities carried during the ‘Swachhata Hi Seva’ Pakhwara (Sept. 15- Oct. 2, 2018) were briefed to all the staff of the institute.
