

## “Swachhta Pakhwada” Celebration at ICAR-NIHSAD, Bhopal (Dec. 18, 2019)

Today’s shramdaan was committed to the Boat Club, Bhopal, and a well-known tourist place that attracts a huge public in all the seasons. A team consisting of fifteen members of ICAR-NIHSAD family enthusiastically donated two hours shramdaan in cleaning the vast area at this tourist place including the shore of the lake. During the shramdaan, non-biodegradable waste especially polythene, plastic plates and scraps were collected and disposed of in Bhopal Municipal Corporation dumping container. The tourists visiting this place were made aware of role of sanitation, hygiene and proper waste disposal in improving the overall health of human, animals, soil and ecosystem.
