

“Swachhta Pakhwada” Celebration at ICAR-NIHSAD, Bhopal (Dec. 23, 2020)

In today’s activity, a drawing competition was organized as a part of the ‘Swachhta Pakhwada’ activities. The topic of the competition was ‘waste management’. In this competition, participants from the scientists, research scholars, administrative, and contractual staff put on their unique and innovative ideas on paper in the presence of the judging committee. The winners of the competition shall be awarded on the concluding day of Swachhta Pakhwada. Besides, regular trimming of trees, shrubs, and grasses for the beautification of campus and surrounding area, and regular cleanliness monitoring of campus, toilets and disposal bins were carried out.
