

ICAR-National Institute of High Security Animal Diseases, Bhopal

“Swachhata Hi Seva” Pakhwara (Sept. 25, 2018)

Today, a cleanliness drive was carried out inside the bio-containment laboratory of the institute. During the drive, the old discards, including the sample boxes, containers, etc. were autoclaved and discarded as per the biosafety norms and all the storage areas were cleaned and disinfected. The dirty dispatch area was also thoroughly cleaned and disinfected. The equipment of all the laboratories, windows etc. were made clean. All the participants actively contributed in these activities with full zeal and enthusiasm. A cleanliness orientation talk inside the laboratory was given to all the laboratory workers and attendants.
