

# ICAR-National Institute of High Security Animal Diseases, Bhopal

## “Swachhata Hi Seva” Pakhwara (Sept. 28, 2018)

A special activity ‘Toilet pit-digging exercise and other toilet construction activities’ as prescribed by the Ministry of Drinking Water and Sanitation, was conducted by the NIHSAD today. In this activity, villagers from the Pathar and Kokta villages were invited to the campus and first-hand information about the points to be remembered while construction of a toilet was communicated in the form of an audio-visual aid. Further, the advantages of making the two pits instead of one were also communicated. All the villagers took keen interest in this activity. Besides, regular cleaning activity of the institute campus was also done.

Creating awareness about the construction of a toilet with two pits among the villagers
