

Independence Day Celebration on August 15, 2018

The Independence Day on August 15, 2018 was celebrated at ICAR- National Institute of High Security Animal Diseases (NIHSAD) with high spirit to nation. The program was organized and coordinated by the institutional Staff Welfare Association. Dr. V.P. Singh, Director of the institute hoisted the National Flag followed by National Anthem and addressed the staff and students of the Institute. In his speech, the Director briefed the research achievements and encouraged the staff to focus on the upcoming institutional activities. He appreciated the efforts of scientific, technical, administrative and supporting staff for their consistent hard work and dedication to make this institute one of its kind. On this occasion, certificates and prizes were distributed to the winners of different institutional activities. The program was ended with distribution of sweets and refreshment.

A cultural program was also organized in the institute auditorium in which the employees and their children showed their cultural skills. The program included singing of patriotic songs, dance performances on Bharatanatyam, Bhangra and other songs. The event was concluded with distribution of prizes to all the performers.
