

Report on Observance of Vigilance Awareness Week (31st October-5th November 2016) at ICAR-NIHSAD, Bhopal

The Vigilance Awareness Week was observed at National Institute of High Security Animal Diseases (NIHSAD), Bhopal during 31st October to 5th November 2016. The week began with administering of the pledge to the staff and students of the Institute by Dr. V.P. Singh, Director, NIHSAD, Bhopal, on 31st October at 11 A.M. in the Institute auditorium. In his remarks, Director stressed upon the importance of transparency, punctuality and integrity at all working levels of staff for effective implementation of preventive vigilance. He also emphasized to inculcate moral values among all sections of the society so that corruption at all levels can be minimized and our country can progress at a rapid pace. Dr. Niranjana Mishra, Principal Scientist and Vigilance Officer, deliberated upon the importance of “Public Participation in Promoting Integrity and Eradication of Corruption” and advocated that the fight against corruption should involve active involvement of all the citizens of the country and active vigilance by all concerned. He stressed upon the importance of sincerity, integrity, sensitivity and impartiality for preventing corruption in public life. Banners depicting vigilance awareness and corruption in public life were displayed prominently at several locations of the Institute. All the staff of the Institute actively participated in the vigilance awareness programme.

Administration of pledge, Vigilance Awareness Week, 2016 at ICAR-NIHSAD, Bhopal
