Maximum Admissible Downtime: Clients and Peripherals – **Maximum 20 office hours calculated over a period of Three months for all machines except server & Network.**

Note:-

1. Maximum downtime in a day will be equal to run time even if machine (for all machines PC, LT, Printer, Scanner etc.) is down for 24 hours i.e. if Desktop is down from 9 am to 9 am (next day) the total down time will be 7 hrs. (10AM to 5PM) and not 24 hrs.
For Server & Network: -
If connectivity is available but Server or Network does not work.
Down time Calculation: -
 - i) For individual m/c it will be counted with the m/c down time (as per above rule).
 - OR
 - ii) In case of total failure maximum allowable time will be 72 hrs in 3 months & counted as per the real clock time (not as per office time).
2. In case of intermittent failures and repetitive problem due to improper diagnosis or repairs, then it will be treated as continuously down from the time of first fault reporting
3. Deemed down: A system although up but is not able to deliver services because of non-availability of connected system. For example, if switch is down, all PCs connected to it will also be deemed as down. If server is down, all PCs connected to it will also be deemed as down

4. Few Example of down calculations:
- When server is down – server and all hardware connected to sever directly or indirectly will be deemed as down.
 - When Hub/Switch is down – Hub/Switch and all other related items connected to Hub/Switch.
 - Only PC is down – PC, Only Printer is down – printer.

- 17 Review: Both NIHSAD and agency shall conduct periodical reviews from time to time by examining the automated reports generated by bidder such as downtime reports, uptime reports, logbooks etc.
- 18 The payment will be made on a quarterly basis at the end of the each quarter and subject to submission of satisfactory service report from the users departments and item wise preventive maintenance and cleaning reports. Payment will be made through core (NEFT) Banking for which the proof regarding account No. with SBI is provided along with Tender form. Payment of last quarter will be made only after the vendor fulfills all the contractual obligations i.e. replacement / repair of Component /s and its part /s maintained under AMC like. However, the sequence of payment would be as given below:-
- 19 Payment to the contractual staff would be done by the contractor in their account on or before 10th of each month, right from the first month.
- 20 The contractor then shall submit the claims of such payments to the institute alongwith proof of payment of wages and payment towards EPF, ESI, GST and other statutory payment etc. The mode of payment and challans etc. should be transparent so as to prove their authenticity. In case of quarterly payment such proof shall be submitted in subsequent month.
- 21 Upon verification of records as mentioned above and the attendance of contractual persons, the administration would release the payment via BANK TRANSFER in the account of contractor.
- 22 Income Tax (TDS) will be deducted from the payments due for the work done as per rule.
- 23 The Institute will not be responsible either to the Contractor or to its workers deployed at this Institute for any medical assistance/injuries/death or any kind of loss occurred to contractual labours.

- 24 In case of any damage to the NIHSAD property by the teams engaged, the same will be recovered from the agency.
- 25 The Director, NIHSAD reserves the right to reject any or all tenders/quotations in whole or in part without assigning any reason thereof. The decision of Director, NIHSAD shall be final and binding on the Contractor/Agency in respect of clause covered under the contract

Note: The contractor has to quote rates on comprehensive basis as per the terms mentioned in this document.
