

**Organized Field Day and Progressive Poultry Rearing Workshop
&
Distribution of Kadaknath Poultry Birds and Poultry Feed to the Farmers
(December 26, 2023)**

ICAR-National Institute of High Security Animal Diseases (ICAR-NIHSAD), Bhopal in collaboration with the Department of Animal Husbandry and Dairying, Govt. of Madhya Pradesh, Raisen has organized a “Field Day and Progressive Poultry Rearing Workshop” in the village Chiklod, Umraoganj, district Raisen on Dec. 26, 2023. During this field day, a total of 720 egg-laying Kadaknath poultry birds and 15 quintal poultry feed was distributed to 30 pre-identified beneficiaries of Scheduled Caste in the village Chiklod, Raisen under SCSP scheme. A unit of 24 birds (19 female, 5 male) with 50 kg poultry feed was distributed to each of the beneficiaries with the aim to increase their income through backyard poultry rearing in the village. About 200 farmers and backyard poultry owners have attended the workshop. The technical information on profitable poultry rearing and management was given to the farmers or poultry owners. The Programme was executed and coordinated by Dr. Fateh Singh, Senior Scientist & Nodal Officer (SCSP) and Dr. P.N. Gandhale, Senior Scientist and Member (SCSP).
