

“Swachhta Pakhwada” Celebration at ICAR-NIHSAD, Bhopal (Dec. 30, 2019)

A cleanliness drive was done at the pathogenomics laboratory, which is situated outside the bio-containment laboratory of the institute. During the drive, the lab store room and in-and-around area of the laboratory was cleaned of debris, waste, and unwanted plants/weeds and handed over to municipality for proper disposal. Each and every member of the institute participated enthusiastically in the programme. Apart from this, regular trimming of trees, shrubs, and grasses for the beautification of campus and surrounding area; continuance of government e-market place (GeM) and ERP; and regular cleanliness monitoring of campus, toilets and disposal bins were carried out.
