

# ICAR-National Institute of High Security Animal Diseases, Bhopal

## “Swachhata Hi Seva” Pakhwara (Sept. 27, 2018)

The cleaning activities were taken up in and round the engineering section of the institute today. During these activities, dried leaves, weeds especially parthenium, grasses, debris, and plastics were hand-picked and disposed of properly. Apart from this, regular trimming of trees, shrubs, and grasses for the beautification of campus were also carried out. All the participants actively contributed in these activities with full zeal and enthusiasm.

Cleaning the in and round areas of institute's engineering section
