

“Swachhta Pakhwada” Celebration at ICAR-NIHSAD, Bhopal (Dec. 27, 2021)

Key information on 'Single-use plastic and its effects on the health of animals, humans, and the environment' was shared with the institute's staff at today's session. Dr. C Tosh and his team spoke with NIHSAD staff at this programme and discussed the necessity of a single-use plastic ban. He also explained how to distinguish between various plastic goods used on a daily basis and single-use plastic items. Aside from that, the institute campus was cleaned on a regular basis.
