Schedule - II**GENERAL INFORMATION AND OTHER TERMS & CONDITIONS OF THE
CONTRACT OF NIHSAD CAMPUS****Scope of Work and Terms and Conditions**

- **Name of the service:** “Annual contract for supply of water in tankers to ICAR-NIHSAD, Bhopal for a period of one year from the date of work order”
- The supply of water to ICAR-NIHSAD, Bhopal will be on actual requirement basis only. (Approximate expected quantity is between 2300 and 2500 tankers per year). The bidders should quote per tanker rates.
- The supplier should agree to provide additional tankers (more than the upper limit of the indicated expected quantity) at the same cost, if required by the institute, within the tender period.
- Transportation and supply of the water to NIHSAD should be made in water tankers of a capacity of 5000 litres per tanker. Size/capacity of the tanker should be displayed on the tanker clearly.
- Tanker shall be filled properly to the full capacity of tank.
- The water is mainly intended for horticulture work which needs to be sprinkled/applied to the plants at various locations of the institute. It may be used for other purposes also whenever necessary. Hence, the quality of water should be good and clean.
- The water tanker should be fitted with suitable motor pump, pipes and adaptors to enable sprinkling/spreading of water. The supplier should not ask for any additional requirement from the institute for operation of the pump or vehicle.
- All the expenditure related to maintenance/ repair of tanker or motor pump or the vehicle shall have to be borne by the supplier. NIHSAD will not take any responsibility in this regard.
- The supply of water in tankers should be made during a time convenient to NIHSAD. The supplier should be ready to supply even on holidays, if required.
- Water has to be supplied only as per the need of the institute which will be decided by the designated officer/in-charge. It should be noted that the requirements (number of tankers) will vary based on the season, rainfall, etc.
- The firm should be capable of supplying water on urgent basis on short notice, as and when required, within two hours of receiving the telephonic call.
- The acknowledgement of supply trips shall be signed duly by the contractor and handed over to departmental representatives / security at receipt point located at various storage tanks. Original delivery challan shall be handed over to the departmental representative.
- No extra payment will be made for waiting and unloading time. The tanker is basically required for the sprinkling/spreading of water for horticulture work or other purposes in NIHSAD. Tanker and motor pump has to be operated by the supplier and taken from different locations within the campuses of NIHSAD for the sprinkling/spreading of water. No extra claims shall be entertained on account of above factors. The actual sprinkling/spreading of water will be done by personnel provided by NIHSAD.
- The driver/helper operating the tanker should be disciplined and well behaved.

- The supply of required quantity of clean water at short notice is the essence of this contract. In case of any water shortage / difficulty with the contractor for supply of water in time, the supplying firm should make necessary alternative arrangement for the same so that water supply to NIHSAD is not hampered.
- The Successful bidder i.e. the service provider has to submit an amount of *3% total contract value) in shape of DD, FDR as a performance security deposit to the NIHSAD for the work awarded and it will be released after completing the contract satisfactorily. No interest will be paid on the security deposit.
- ICAR-NIHSAD will reserve the rights to forfeit the security deposit during the validity of contract if there is any breach of service / contract from the service provider viz., non – supply of water in time, less quantity of water in tankers etc.
- Pre-receipted bill for water supply should be submitted on monthly basis duly signed and rubber stamped by the service provider to NIHSAD supported with invoices, statement of gate pass etc., and be duly certified by authorized representative of NIHSAD. Payment will be made only to the actual quantity (no. of tankers) supplied each month.
- The contract/service will be valid for a period of one year. Tenure of the contract/service may be extended upon the mutually agreed terms and conditions between the service provider and NIHSAD, if necessary.
- NIHSAD will reserve the right to terminate the contract / service by giving a notice of one month to the Service Provider, in case the service is found unsatisfactory or any other reason.
- In case of delay in supplying of water or any deficiency in the service as per our demand, a penalty can be imposed by NIHSAD.
- Proper care should be taken to provide adequate protection to the existing structures and cables (telephone, computer, etc) all such installations against any damage. Any damage / defect to existing structures of NIHSAD arising due to the faulty operation of tanker/vehicle shall have to be rectified forthwith as directed to the satisfaction of the institute at the Contractor's risk and expense.
- The firm should have at least one year experience of supplying water in tankers to reputed organizations and should submit necessary proof for that.
